All day we are partnering with:

**United Way of Kern County** works on improving our community by focusing on Education, Income and Health. These are the building blocks for a good quality of life -- a quality education that leads to a stable job with enough income to sustain a family through retirement with good health.

**OMMAT Academy** is a company dedicated to providing self-development courses and programs for our youth. Our first program, Our Life Lab, is a self-development program that teaches life skills. Our program focuses on three vital components: Community, Life Skills, and Interactive Exercises.
